**How Congress can support small businesses**

Small businesses employ 47% of private sector workers in the U.S., meaning nearly 60 million individuals depend on them to support themselves and their families. Learn more at: [thehill.com/opinion/finance/488565/7ways](http://thehill.com/opinion/finance/488565/7ways)

**OneStopPGH Delayed**

OneStopPGH applications have been delayed until further notice. Phase 4 will allow citizens, utility companies, and contractors to submit and pay for Right of Way Permits and Fire Permits online through the

OneStopPGH customer portal. These changes will significantly improve the customer experience & eliminate the need for applicants to go downtown to apply or pay for their applications. While it is unfortunate to delay these changes, it is in the best interest of the public health and safety. The City of Pittsburgh will update the public when the new deployment date has been set.
